PHOENIX NEWS – OCTOBER 2025

Dear Players, Parents and Supporters of the Phoenix Stars Football Club,

On behalf of the Chairman and the Executive Committee, we extend our heartfelt gratitude for your unwavering support and commitment throughout the 2025 season.

Yesterday marked the final matches of the year, and we are deeply thankful to everybody who helped make this journey possible!

Please note that there will be no more training sessions effective from Monday, 20 October 2025 until next year. This is to allow our players to focus more on their academic programmes and our coaching staff to plan for the upcoming events.

We are excited about two upcoming events:

1. Open Day – Saturday, 08 November 2025, at our home grounds. Further details will be communicated in due course.
2. Award Ceremony – Saturday, 15 November 2025, also at our home grounds. The team will honour all our players and give an extra recognition to those individual players that excelled on and off the field of play.

We want to especially acknowledge how far we have come together. This season posed many challenges, especially as the club was promoted from the lower divisions into the First Division. The results speak for themselves – they reflect the commitment, resilience, and growth of our players. We will also share the final log standings for each team once Saturday's results have been captured by our controlling body,

FAP. Behind this phenomenal growth has been the steady support of parents, families, coaches, our Technical Director, the commitment by players and the entire Phoenix Stars community.

Thank you for standing with us and holding the fort until the end of the season. We look forward to celebrating with you all at the upcoming Open Day and Awards Ceremony. We warmly invite our parents, players, friends, family, neighbours and those with a passion for football to join us!

Thank you for your financial contributions that has helped us to pay our subscription to FAP, buy kit for the players, pay our coaches and admin staff, paid rental for our soccer field, referees, training equipment, etc.

A gentle reminder to the parents who are yet to settle their balances for the year to do so as this will go a long way in the club paying off all its financial obligations and for its continued existence. The financial director will send emails to the parents with balances shortly.

We wish our students well for the exams – we trust you will give your best in the same way you have done on the field!

Yours in sport,

The Chairman & Executive Committee
